Summer is ending soon. Our morning and afternoon summer swim camps were full, busy, and we have enjoyed seeing many swimmers this year achieve their summer sessions goals.

To continue with your student's swimming goals and reaching the next level, sign up for year-round classes. Return students can sign-up for the same levels recorded in our system.

Please Sign up for regular year-round lessons.

Please visit the SSTA website for Evaluation sign-up and reserve your spot for Saturdays or Wednesdays Evaluation, to verify the level of your swimmer to be enrolled in. We look forward to continuing their education, fitness, and enjoyment of the sport.

Evaluations are free. Please bring your goggles and cap.

Walk-ins are welcome on Saturdays.

Wednesdays are by appointment only.

Regular classes start from 3:20 pm to 7:30 pm. All Day Saturdays and Sundays. Private and Semi-private classes are available by request! Please ask any staff for assistant!
